...LA "STORIA" DELLA SCAFFALATURA SI
RIPROPONE E SI EVOLVE

Nella sua nuova configurazione, conferma la propria attualità presentandosi con nuovi allestimenti, accessori e finiture ad un prezzo estremamente competitivo.

AMX35Evo, sintetizza tutto il meglio che si richiede ad una scaffalatura in termini di qualità delle finiture, performance prestazionali ed armonia estetica.

AMX35Evo attualizzato, risponde alle vigenti normative di salvaguardia ambientale e rispetta a pieno il disciplinare ACAI sulla sicurezza.

... THE "HISTORY" OF SHELVING REPROPOSES
ITSELF AND EVOLVES

In its new configuration, **AMX35Evo** confirms its up-to-dateness with its new fittings, accessories and finishings, at an extremely competitive price.

AMX35Evo synthesizes all the best features required of a shelving which is now pleasant to look at and has high quality finishings and performances.

The updated **AMX35Evo** is consistent with the most recent standards of environmental preservation and with the safety rules of the Italian Steel Manufacturers Association (ACAI).
